

WARRIOR BEACH RETREAT, INC
“Where Heroes Gather”

2022 NEWSLETTER

Last year we hosted five mini retreats and one large one as we were dealing with the pandemic situation.

We continued to do our best to bring hope and encouragement to the combat wounded warriors and their loved ones.

We knew we needed to step up and do something as the suicide rates with veterans was climbing.

We are looking forward to our next large retreat the first week of March 2022 and we appreciate everyone’s prayers for all who will be attending. All attendees will be getting a Covid test days prior to arrival and will not be coming if they have any symptoms to keep everyone safe. Looking forward to a great 2022 hosting another large retreat in the fall and smaller ones throughout the year.

**None of this is possible without your support and donations!
We appreciate you all!**
